Project & Program Management Solutions

ABOUT ORION PROJECT MANAGEMENT

Orion Project Management is a veteran-led consulting firm specializing in owner representation and construction management advisory (CMa) services for federal agencies and private clients. With over 20 years of experience, we deliver strategic oversight, cost control, and regulatory compliance across complex commercial construction & technical projects. Our hands-on approach ensures transparency, timely execution, and mission-focused results—making Orion a trusted partner from pre-construction through closeout.

CORE COMPETENCIES

Orion Project Management helps customers meet their construction and technology objectives by **providing technical resources and staffing** to ensure project and program success by offering the following services:

- ✓ Project Management
- ✓ Program Management
- ✓ Staff Augmentation
- ✓ Executive Administration
- ✓ Software & Technical Solutions

EXECUTIVE LEADERSHIP & FEDERAL EXPERTISE

Proven GSA partner with 20+ years managing sensitive, complex federal & private sector projects requiring precision, discretion, and strategic oversight.

CODES & CERTIFICATIONS

Certified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) under self-certification guidelines.
